Great Golf.ie Price €320

Stowamatic Titanium GT2

Stowamatic GT2 Electric Golf Trolley

The Stowamatic GT was one of the most popular electric trolleys on the market, known for its unique styling, ingenious fold and click mechanism, and phenomenal value. The GT2 builds on this, adding a host of new features, including a distance function (set the trolley to proceed a certain distance before stopping), an LED display, and an upgraded 27 hole battery.

More details below.....

Pull/Push Trolleys

Stowamatic GT2 Electric Golf Trolley

Features

Stowamatic Control Panel allows you to set the trolley to proceed a certain distance before stopping (10m, 20m or 30m) or at a certain speed

LED Control Display displays the set speed or distance remaining

Intuitive Twist Control allows for quick setting

Powerful 27 hole battery - will power round any 18 hole course with ease!

Enhanced aluminium chassis is strong, reliable, and helps keep weight down, making for easier transportation and better performance

Quick release folding mechanism - takes just seconds to fold down or assemble

Stowalock base - when using a Stowamatic trolley bag, the bag will not twist (any bag can be used on the trolley though)

Detachable 'Sport' rear wheels

Upgraded battery bag - foil lined to help cool battery and improve performance
